Domaine du Pegau 2006 Cuvée Laurence

"The 2006 Cuvée Laurence is surprisingly evolved and already open for business, showing a nuanced bouquet of sweet cassis, aged leather, meat, licorice, and garrigue. This leads to a medium to full bodied wine that is all about charm and comfort, showing a round, soft texture, sweet fruit, and an overall approachable, open profile. While this firms up slightly on the finish, and will no doubt evolve and drink well for a decade or longer."
