

# DOMAINE D'ANSIGNAN

## *-Les Grenadines 2022-*

Vignerons Sebastien Calduch and Jeff Carrel set out to preserve the art and tradition of winemaking in harmony with nature on their estate at the very end of Occitania in Southern France. From old vines located high in the Pyrenees mountains, Les Grenadines is a natural wine with great energy and balance.

**Light cherry in color, with bright juicy pomegranate and strawberry aromas. Drink this wine with a slight chill. Appetizing palate that pairs with roasted pork, poultry. Perfect wine for warm weather or on gray afternoons to bring back the sun!**
