

DOMAINE DOREAU

— MONTHELIE —

2021 Domaine Moreau Aligoté

With their history dating back to the late 19th century replanting *Phyloxera* devastated vines, the family continues to create authentic and honest wines from their noble vines. Working sustainably, they are preserving their estate for future generations.

VINEYARDS & VITICULTURE

Vines are over 60 years old located in the Meursault plain. Vines are trained in Guyot style, with 8 shoots allowed. Debudding and early leaf removal ensure high quality bunches. Vineyards are plowed March.- July, and cover crops are grown otherwise.
